

Katalog Kain yang tersedia di inteeshirt

inteeshirt menyediakan Katun Combed 30s dan 24s (lebih tebal)

Cotton Combed adalah jenis kain yang menggunakan bahan 100% Cotton.

Untuk mendapatkan benang combed, serat kapas diolah melalui proses penyisiran menggunakan mesin combing. Karena proses pembuatan benangnya disisir, maka hasil benang yang didapatkan menjadi lebih halus dan lembut.

Selain itu, kain yang didapatkan lebih rata dan tidak berbulu sehingga kualitasnya sangat baik
